

**PROVIDING SOLUTIONS BEYOND
THE ORDINARY!!**

ABOUT US

SIS Founded in 2019 backed and mentored by some of industry veterans having very rich experience in Products, Innovative Solutions & Projects. Our experience is combined with the passion to become key player in India's growth story.

We at SIS , utilize our rich experience served in various electrical industries from last two decades, having right knowledge, skill in the field of Energy Sector. Our Idea is to work on innovation, Services & Solutions in various fields including following

Energy Sector

Generation

Transmission

Distribution

Renewable

Export

Oil & Gas Sector

We are Electricity Professional

We introduce ourselves as an organization with experienced persons in the field of power sector having worked and executed few of the largest projects in the country. Experience of managing electrical work of various type of Sub-Station, Transmission & Distribution Line, Rural Electrification Works, Residential & Commercial Building Electrification Work & Automation and Fire Fighting field.

VISION

SIS shall be professionally managed best Solution Provider & global leader through innovative technology. Create better environment, Empower employees & Contribute for society.

MISSION

Our endeavour to provide Safe, Efficient, Innovative , affordable Product & Services to our customers.

Employees are asset of the company, our focus is to provide world-class training, create ethical work culture & empower to take decision of the business. Collaborate globally with best People & Technology.

VALUES

Customer & Community-Centricity, Passion, Transparency, Sustainability.

Management

Sandeep Jasoria, Director

Sandeep Jasoria is a seasoned Project Management & Business Development professional and Co-founder of SIS. He is also a partner in SIS. Sandeep worked in senior roles in Energy Products Installations with some of the most eminent Power Generation, Renewable Energy and Mining organizations like BSES, Raychem and Apar Industries. He has played key roles like AGM-Projects & BD and Regional Manager (North India) where he successfully led over 15

major projects throughout the length and breadth of India. Through the course of his career, he worked with prestigious clients like NTPC, BHEL, NHPC, SECI, Govt. Utilities, NPCIL, KPTCL, APSPDCL, EPSPDCL, PGCIL, TSSPDCL, KEB, JVVNL, AVVNL, Jakson Engineering and All ESCOMs.

He has business exposure in Domestic and Exports Market.

Shyam Tayal, PMP Consultant

Mr. Shyam Tayal with 34+ years of experience in Electrical Industry and specialized in Sales & Marketing of Complete Product Range, Services & Projects in Transmission & Distribution Sector

He has the exposure of SAARC Market / Oil & Gas / Solar Sectors also He has been a key professional in understanding pain points of customers & successfully promoting following Solutions in Energy Sector in India

- **Connection System**
- **Iron Loss Reduction**
- **Faults Reduction**
- **Downtime Reduction**
- **Theft Prevention**

He has vast experience of Complete Project Management in Transmission & Distribution Sectors

Sasikumar V Pillai Technical Advisor

Mr. Sasikumar Vasudevan Pillai with 43+ years of experience in Electrical Industry and specialized in Product Management, Technical Services, Maintenance, Techno commercials sales to utility and Industry, Marketing and Application Engineering both in India and export Markets. Rich experience in dealing with products of Low Voltage to Ultra high Voltage of 1200 kV. He was a member of special group of PGCIL formed for development and commissioning of the 1200 kV Sub-Station. He has been Chairman of Surge Arrester Division of IEEMA for a long time. Product Champion for EHV Disconnectors, Product Management Specialist for Polymer Surge Arresters and Insulator. Successfully lead the team for Introduction /

Biz Development / Increasing Footprints of "Triple Extruded Longitudinal Water Blocked European Technology of Covered Conductor" and accessories up to 110 kV in India

Manjunath, Testing Expert

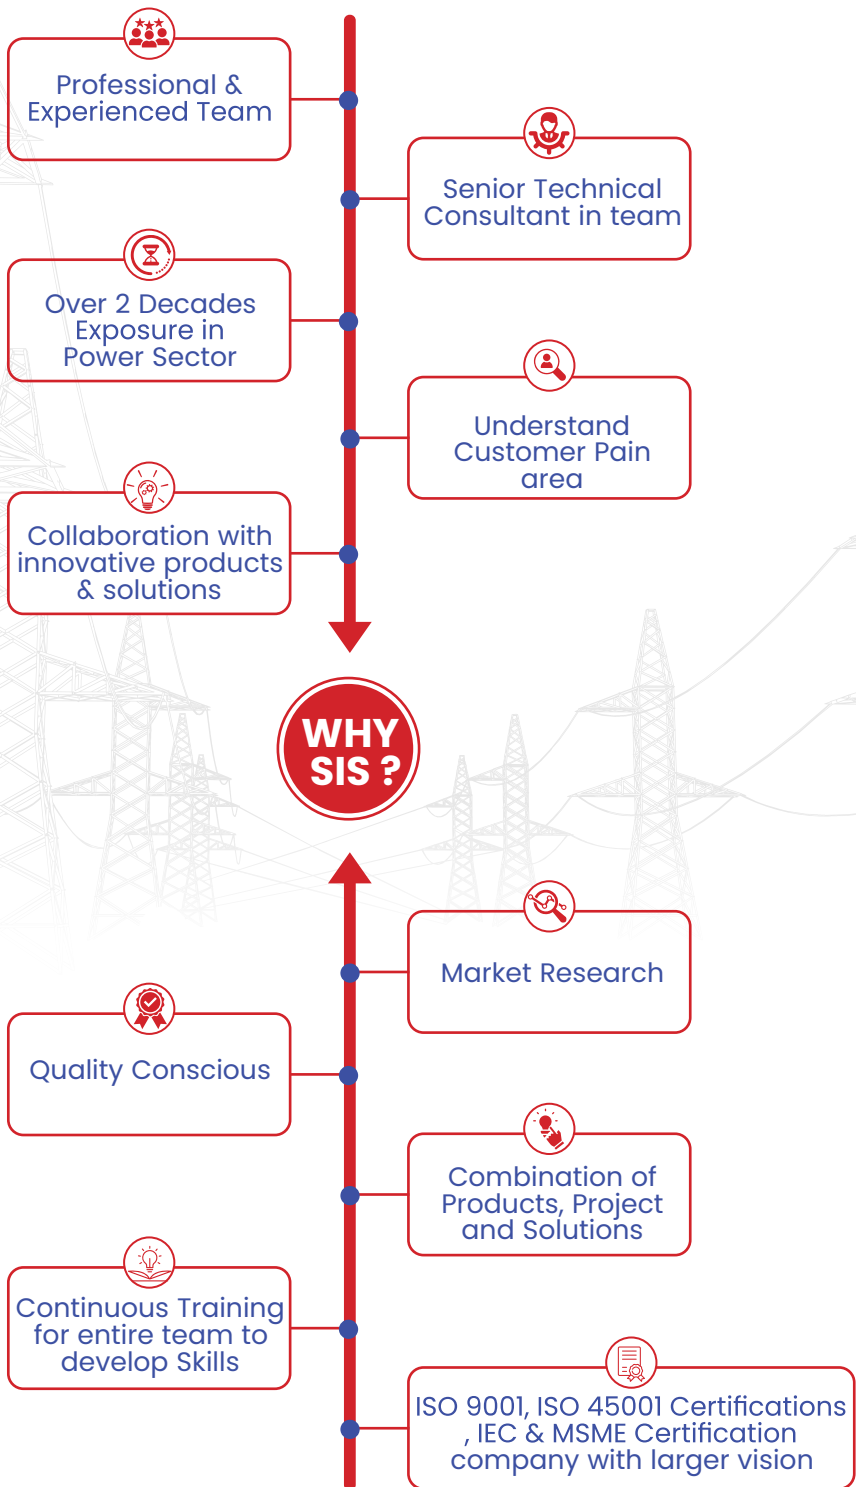

Mr. B. N Manjunath is an Electrical Engineer with experience more than 25 years in Electrical Contracting, Licencing, Design, Establishment, Installation, Erection, Testing and Commissioning work from a Voltage Grade of LV, MV, HV, EHV, UHV and Solar Projects with a knowledge of services are inclined towards a greener and cleaner planet through power audits and related services. We make sure that our clients gain from an increased life of machines, reliable electric network, and enhanced electrical infrastructure which ultimately results in significant energy savings, lesser downtime due to equipment failure, and reduced carbon emission.

Sanjay Kapoor, Advisor

Mr. Sanjay Kapoor is an Electronic Engineer with more than 25 years Professional experience as in Sales & Marketing with strong domain knowledge in the Renewable energy focused on the Solar vertical both in kW Rooftop And Large Scale Ground Mount Projects.

BUSINESS SEGMENTS

Products

UNDERGROUND POWER CABLES : 1.1kv to 220 kV

- Control & Instrumentations Cables
- EPR/ RUBBER/Flexible Cables
- Fire Safety Cables
- Industrial & House Wire

Power Cable Accessories (Joints & Termination) from 1.1kv to 220kv

Products

O/H Bare Conductor from 1.1kv to 220kv , AB Cable up to 33kv

Products

O/H Insulated/ Covered Conductor from 11kv to 110kv

Products

O/H Line fittings and Sub-Station Hardware, Clamps & Connectors

Products

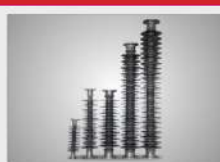

SHREERADHE POLYMERIC INSULATORS ranging from 11kv to 765 kv

Products

INSULATORS UP TO 765 KV

TRANSMISSION INSULATORS

BUS POST INSULATORS

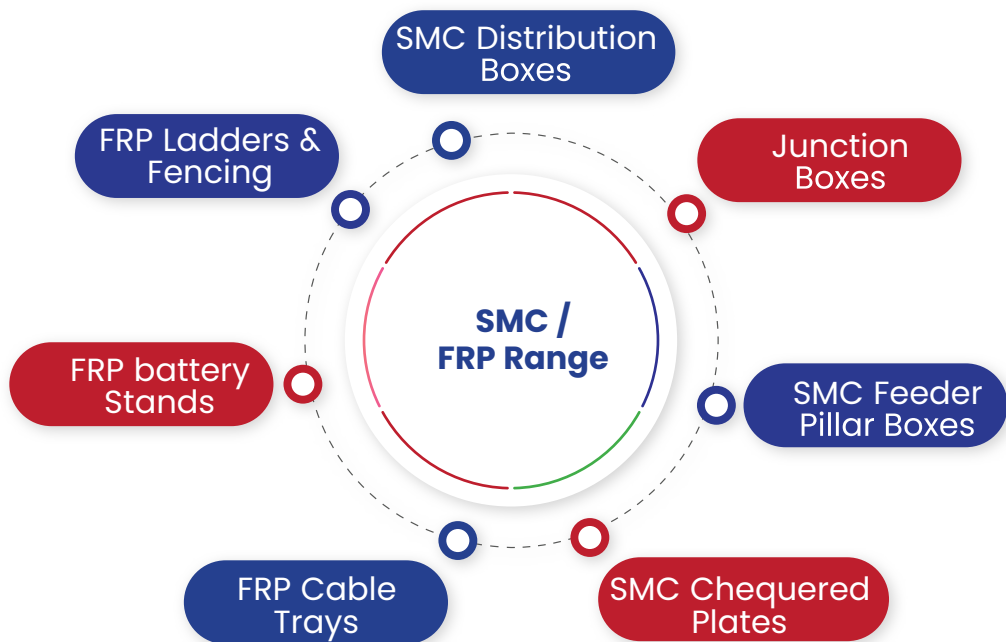

DISTRIBUTION INSULATORS

SURGE ARRESTERS UP TO 42 KV

SEGMENTS	VOLTAGE RATING (KV)	CURRENT (KA)	CREEPAGE (MIN.)
DISTRIBUTION CLASS	9/11/12 KV	5/10 KA, CLASS 2/3	300MM
STATION CLASS	30/33/36 KV / 42 KV	10KA, CLASS 1/2/3 10KA, CLASS 2/3	900 MM 1200 MM

STATE ELECTRICITY BOARDS

Oil & Gas

Commercial
and
Domestic
Earthing

Epsilon G4
RTV Insulator
Coating

Epsilon RTV for Corrosion Control
of our Equipment's, Junction
Boxes, Transmission Line Tower,
Transformer fins etc.

Epsilon Insulation Sleeves &
Tri-shield Sheath Technology
Mitigating Outage and
Electrocution Risks
Inadequate Conductor
Clearance

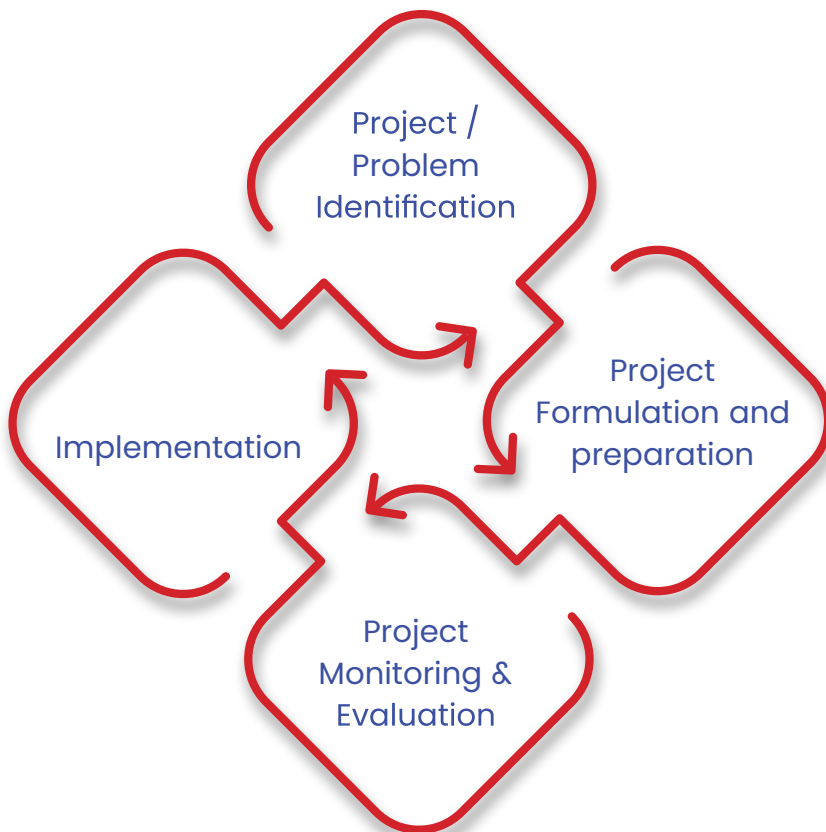

Water Based Intumescent
Cable Coating for the fire
protection of electrical cables
up to 90 minutes under
Hydrocarbon Conditions

PROJECT MANAGEMENT CONSULTING

- Identifying Opportunities
- Gathering Pre-qualification Requirements
- Evaluating JV Partners (if required)
- Preparing Executive Summary, Cost, Project Overhead, and Cashflow
- Collecting Market Inputs
- Managing Pre & Post Bid Meetings

PROJECT MANAGEMENT CONSULTING

- Creating Project Completion Schedule Incl. Material Planning, Execution & Monitoring
- Overseeing Contractual Correspondence & Follow-up (available on standalone basis as well)
- Managing progress, work certification and billing

EXECUTED PROJECTS BY SIS

1) Installation of 66 KV (1Cx 630 Sqmm cable) 6 Nos. COMPAQ Make Out door Termination at Gujrat Site.

A) Work Starting Date
17th April 2021.

B) Work Completion
20th April 2021.

END CUSTOMER :- GETCO

2) Installation of 132 KV (1Cx 630 Sqmm cable) Raychem RPG Make 3 Nos. Joint & 12 Out Door Termination at Nalbari Assam Site.

A) Work Starting Date
01st July 2021

B) Work Completion
27th July 2021

C) Commissioning
28th July 2021

End Customer :-APTCL- ASSAM

EXECUTED PROJECTS BY SIS

3) Installation of 66 KV (1Cx 630 Sqmm cable) 6 Nos. Raychem RPG Make Straight Through Joint at Micron, Bangalore Site.

A) Work Starting Date
28th July 2021

B) Work Completion
30th July 2021

End Customer-KPTCL

EXECUTED PROJECTS BY SIS

4) Supply and Installation of Domestic GAS Meter along with associated accessories @ Pali , Rajasthan – PNG GAS PIPE LINE WORK

A) Work Starting Date
01st April 2021.

B) Work Completion
25th Nov 2021.

End Customer– IGL, New Delhi

EXECUTED PROJECTS BY SIS

5) Installation of Various LT & HT Jointing and termination kits at Vizag (In Smart City project , End Customer :- EPSPDCL

A) Work Starting Date
07th Sep 2021.

B) Work Completion
30th July 2022.

End Customer– EPSPDCL, VIZAG

EXECUTED PROJECTS BY SIS

6) Supply & Installation of 60 Luminous Solar Pannel with LED Street Lights in Haldwani with Civil work and Transportation , including accessories(Pole , Clamp , etc.)

A) Work Starting Date
05th Feb 2023.

B) Work Completion
25th Feb 2023.

End Customer- NGO(WWF, New Delhi)

ONGOING PROJECTS

Installation of 66 KV Raychem RPG Make Joint & Termination (150 Nos) at L&T BMRCL Project Site.

Supply & Installation of Solar Aviation Obstruction Light on Mono Pole at KPTCL site ,Bangalore. End Customer :- KPTCL

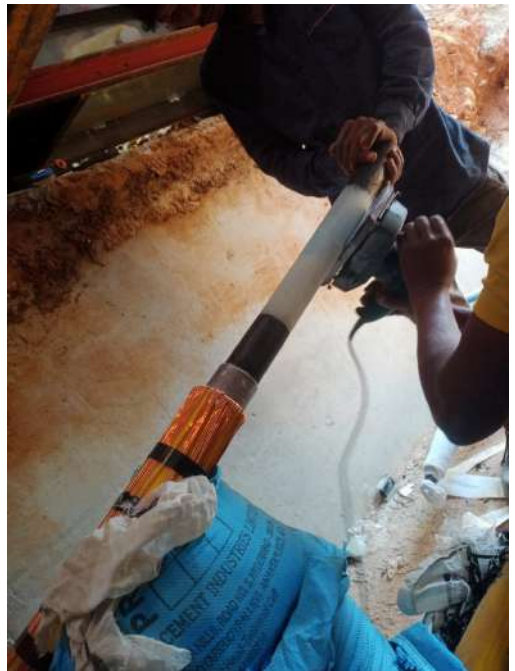

Supply & Installation of Solar Aviation Obstruction Light on 220KV Lattice Tower at KPTCL site, Bangalore. End Customer :- KPTCL

Many More in Pipeline .

**Supply & Installation of Solar Aviation Obstruction
Light for 220KV Transmission Line at Aerospace Park
Sub-station at
Devanahalli in Bangalore**
